SAFEGUARD

Staying protected during these challenging times is our top priority. Our T3Safeagurd T3Affinity range has many design upgrades available to customize your products. From Tablet holders to lighting and adhoc shelving we have some excellent design additions to include.

BRACKETS & PANEL HOLDERS

Add extra safety measures and storage with brackets and holders that can be used to create guards and shelving.

TABLET HOLDERS

Fully accessorize units to inform and protect.

LIGHTING

Illuminate your stand with our LED spotlights. Fitted with purpose built mounting clips.

HOLDERS AND MOUNTS

Boost client interaction with multimedia displays. Add tablet and TV monitors to your display with interchangeable holders.

SADDLE BRACKET

Various configurations of bracket mounts can be used with various materials.

CUSTOM TUBES

All our profiles can be cut to custom lengths providing design freedom and versatility. Longer profile lengths can be subdivided to retain modularity.

SUPPORTS AND FEET

T3 Affinity has multiple sizes and variations of feet and supports. These include base plates, adjustable feet; braked and unbraked wheels.

HYGIENE SCREENS

Mobile wash down screens are ideal for reception and information desks in public and private venues. Custom made to meet your specific design and aesthetic requirements; they effortlessly blend into surrounding environments, providing protection for staff and customers.

KEY FEATURE

Create functional T3 Safeguard units that are either temporary of permanent fixtures for safety.
